

QUARRY COMMUNITY DEVELOPMENT DISTRICT

APPLICATION FORM

FOR VARIANCE FROM EASEMENT

This form should be completed by homeowners who are applying to the Quarry Community Association ("HOA") to install improvements on a lot, where such installation may impact the easement rights of the Quarry Community Development District ("CDD"). Notably, the CDD is responsible for the stormwater system and conservation areas serving the community, and, accordingly, holds certain rights in, among other lands, all "Drainage Easements," "Lake Maintenance Easements," and "Conservation Easements." It is the homeowner's responsibility to carefully review all property records and ensure that the homeowner and his or her contractor do not construct improvements (e.g., fences, landscaping, sprinklers, patios, decks, air conditioners, pools, etc.) within any such easement areas. (Note that such easements are identified on the community plats, but the plats may or may not correctly identify the CDD as the responsible party. Please contact the CDD if you are in doubt about any such easements.)

While the CDD discourages such requests, the CDD may in its sole discretion elect to grant limited variances in order to allow improvements to be placed in an easement area where the improvements will not materially affect the CDD's stormwater system. To obtain such a variance, a homeowner must:

1. Complete this Application Form.
2. Provide a copy of any application materials submitted to the HOA, including but not limited to:
 - a. Site Plan,
 - b. Sketch of Work, and
 - c. Design Plans
3. Submit a check for \$500.00 to the CDD for the CDD's cost to review the application. Additional fees may be charged as well at cost, in the event that the CDD is required to spend additional monies on engineering and/or other consultants to review the application.
4. Complete and execute a Variance Agreement for Installation of Improvements within CDD Easement ("Variance Agreement").
5. Provide a Certificate of Insurance showing: 1) bodily injury and property damage liability insurance in the amount of \$1,000,000 per occurrence, 2) statutory worker's compensation insurance, 3) employer's liability insurance, and 4) automobile liability insurance in the amount of \$1,000,000 per occurrence, all of which shall be maintained in force for the duration of the work. The Certificate shall name the CDD as an additional insured.

Once the information is provided, it will be reviewed by the CDD Staff, and your property will be inspected to determine whether a variance is appropriate. Then, a final determination will be made by either CDD Staff and/or the CDD's Board of Supervisors, and a notice will be sent indicating whether your application was approved or denied.

If your application is approved, the Owner shall notify the CDD prior to commencing work and upon completing work, so that the CDD may inspect the applicable easement area. Any such inspection shall not be deemed an approval by the CDD of any work, and the CDD shall retain all rights to enforce the terms of the Variance Agreement.

WHEREAS, Owner desires to install _____ and related appurtenances (**“Improvements”**) within the __-foot _____ easement (**“Easement”**) located on said Property and as shown on the Plat (**“License Area”**); and

WHEREAS, due to the CDD’s legal interests in the Easement, among other reasons, Owner requires the CDD’s consent before constructing improvements within any portion of the Easement; and

WHEREAS, the CDD has agreed to consent to the installation of the Improvements within the License Area, subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is understood and agreed as follows:

1. RECITALS. The recitals set forth above are acknowledged as true and correct and are incorporated herein by reference.

2. LICENSE FOR IMPROVEMENTS INSTALLATION AND MAINTENANCE; LIMITATION. Subject to the terms of this Agreement, the CDD hereby grants Owner the right, privilege, and permission to install and maintain removable Improvements on the License Area.

3. OWNER RESPONSIBILITIES. The Owner has the following responsibilities:

a. The Owner shall be fully responsible for the installation and maintenance of the Improvements.

b. The Owner shall be responsible for ensuring that the installation and maintenance of the Improvements are conducted in compliance with all applicable laws (including but not limited to building codes, set back requirements, etc.).

c. CDD, by entering into this Agreement, does not represent that CDD has authority to provide all necessary approvals for the installation of the Improvements. Instead, the Owner shall be responsible for obtaining any and all applicable permits and approvals relating to the work (including but not limited to any approvals of the Quarry Community Association, Inc. (“**Association**”), as well as any other necessary legal interests and approvals).

d. The Owner shall ensure that the installation and maintenance of the Improvements does not damage any property of CDD or any third party’s property, and, in the event of any such damage, the Owner shall immediately repair the damage or compensate the CDD for such repairs, at the CDD’s option.

e. Owner’s exercise of rights hereunder shall not interfere with CDD’s rights under the Easement, or with any other applicable rights. Owner agrees that CDD, in its sole and absolute discretion, shall determine whether any such interference exists. Further, the Improvements shall be installed in such a manner as to not interfere with or damage any improvements, whether above or below ground, that may be located within the Easement, or any utilities within the public utility easement, if any. It shall be Owner’s responsibility to locate and identify any such improvements and/or utilities. Further, the Owner shall pay a licensed and insured professional contractor to mark any existing improvements and/or utilities prior to installation of the Improvements.

f. Upon completion of the installation, the Improvements will be owned by the Owner. Owner shall be responsible for the maintenance and repair of the Improvements, and agrees to maintain the Improvements in good and working condition.

g. Additionally, the Owner shall keep the License Area free from any materialmen’s or mechanic’s liens and claims or notices in respect to such liens and claims, which arise by reason of the Owner’s exercise of rights under this Agreement, and the Owner shall immediately discharge any such claim or lien.

4. REMOVAL AND/OR REPLACEMENT OF IMPROVEMENTS. The permission granted herein is given to Owner as an accommodation and is revocable by the CDD at any time. Owner acknowledges the legal interest of the CDD in the Easement and agrees never to deny such interest or to interfere in any way with CDD’s use. Owner will exercise the privilege granted herein at Owner’s own risk, and agrees that Owner will never claim any damages against CDD for any injuries or damages suffered on account of the exercise of such privilege, regardless of the fault or negligence of the CDD. Owner further acknowledges that, without notice, the CDD may remove all, or any portion or portions, of the Improvements installed upon the License Area at Owner’s expense, and that the CDD is not obligated to re-install the Improvements to its original location and is not responsible for any damage to the Improvements, or its supporting structure as a result of the removal.

5. INDEMNIFICATION. Owner agrees to indemnify, defend and hold harmless the CDD, as well as any officers, supervisors, staff, agents and representatives, and successors and assigns, of the foregoing, against all liability for damages and expenses resulting from, arising out of, or in any way connected with, this Agreement or the exercise of the privileges granted hereunder. Without intending

to limit the extent of Owner's indemnification obligation, and for the purpose of illustrating the extent of such obligation, Owner hereby agrees that the indemnification provided for herein shall extend to any and all injuries that may occur as a result of the installation of the Improvements, including, but not limited to, slip and fall injuries that may occur by virtue of the use of the Improvements.

6. COVENANTS RUN WITH THE LAND. This Agreement, and all rights and obligations contained herein, shall run with the land and shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and assigns, including, but without limitation, all subsequent owners of any portions of the property described herein and all persons claiming under them. Whenever the word "Owner" is used herein, it shall be deemed to mean the current owner of the Property and its successors and assigns. Upon the sale of the Property, the Owner shall advise the subsequent owner of the terms and conditions of this Agreement.

7. SOVEREIGN IMMUNITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the CDD beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

8. ATTORNEY'S FEES AND COSTS. The prevailing party in any litigation to enforce the terms of this Agreement shall be entitled to reasonable attorney's fees and costs.

9. COUNTERPARTS. This Agreement may be executed in any number of counterparts. Any party hereto may join into this Agreement by executing any one counterpart. All counterparts when taken together shall constitute but one and the same instrument constituting this Agreement.
